A statement on behalf of the Owners of Hinkle Family Fun Center

Hinkle Family Fun Center has experienced an incredible influx of public support, opinion, and offers of donations following the May 15 vandalism and desecration of the American Flag centered in Hinkle Family Fun Center entertainment park. The American Flag was cut down, spray painted in what appears to be green and white spray paint, and left thrown on the property behind the High Ridge Movie Theater.

Hinkle Family Fun Center has requested that any and all donations be made payable to Paws and Stripes, a local non profit organization. Paws and Stripes is an organization dedicated to providing service dogs for wounded veterans suffering from Post Traumatic Stress Disorder and Traumatic Brain Injury. All service dogs are obtained from shelters and are trained by professional trainers. Paws and Stripes provides service dogs and training at no cost to the veteran.

"It is our hope that any and all donations made will be a way for the community to give back to the very folks who served our country, our local Veterans. Our goal is to turn a heinous crime into an expression of Patriotism for the entire Albuquerque Community," said Bryan Hinkle, an owner of Hinkle Family Fun Center.
